

## *Welcome to the Talisman Hotel, Restaurant & Garden Bar*

At the Talisman we believe in having a diverse beverage menu, featuring both New Zealand and international wines. We love to have something you may not know as well as some delicious local drops. We also proudly pour Sawmill Brewery Beer as we believe the quality speaks for itself, along with a select few other Craft Breweries who hold similar values to us.

We hope you find a beverage to suit your taste and enjoy the Talisman experience.

### A bit about Sawmill Brewery!

Our mission at the Sawmill Brewery is to protect and preserve our shared resources – land, sea, soil and water. We acknowledge Ngati Manuhiri on whose ancestral land the Brewery sits and their continuing kaitiakitanga of it. We are an independent, New Zealand owned brewery run by a small team. For 16 years we have been brewing fresh quality beer using New Zealand grown hops and malted barley. We are proud to be New Zealand's first B Corp certified Brewery.
